JAN 2026

Polyrey is a brand of the Wilsonart Group, world leader in decorative surfaces.
Recognised for our expertise and over 70 years of French know-how, our values are focused on the quality and performance of our products and their contribution to your future projects.
We surround ourselves with experts to create decorative offers that are as close as possible to current and future trends, and to develop technical and innovative products. Our customers recommend our products for their quality and technical reliability. To ensure the quality of our products throughout their life cycle, and to offer you high-performance services, we put our know-how at your disposal.
Our teams also put this experience to good use, working to reduce our environmental impact and develop a socially responsible approach.

OUR ENVIRONMENTALLY RESPONSIBLE APPROACH

20%

Recycled kraft paper in our HPL

85%

Renewable materials in our melamine panels and bonded boards

At the heart of our Sustainable Development approach, we have implemented an active policy to reduce the impact of our activities on the environment. This policy focuses on energy conservation, waste reduction, preservation of natural resources, air protection and product durability. We strive to reduce our environmental footprint at every stage of the manufacturing process and product life cycle.

OUR APPROACH TO SOCIAL POLICY

We are a company operating in a complex ecosystem that we are committed to developing every day. Diversity & Inclusion within our company, Career development, Employee well-being, Health & Safety, Contribution to local development and associations, Ethics and code of conduct are all part of our daily commitment to continuous improvement!

OUR SERVICE COMMITMENTS

Manufacturer of decorative laminates & melamine panels

EFFICIENT LEAD TIMES
We stock over 350,000 panels and ensure weekly deliveries from our French factories.

AN EFFICIENT SALES NETWORK
Our products are widely stocked for optimum coverage.

DEDICATED TEAMS TO SUPPORT YOU
Polyrey is your facilitating partner: we offer personalised support to all players in the building industry.

All our commitments and services on

www.polyrey.com

YOUR MADE-TO-MEASURE SUPPORT

At every stage of your projects, we are at your side to ensure success and save you time. Renowned for our product expertise, we are also committed to the excellence of our service quality. At the heart of our service commitments: your customised support. The Polyrey teams are entirely at your disposal to meet your needs.

PRO. CONNECT

CHECK STOCK LEVELS, PRODUCTS & DELIVERY TIMES IN REAL TIME! AND MUCH MORE.

Discover PRO.CONNECT, our new platform designed to simplify your daily work. In just a few clicks, explore our products, view available decors and easily access all the useful information you need. Designed for professionals, PRO. CONNECT helps you save time, secure your choices and move forward more efficiently in your activities.

PRODUCT LINES FOR FIT-OUTS, DESIGN PROJECTS & FURNITURE

Easy to install and without profile

YOUR HYGIENE GUARANTEE

99,9%
bacteria reduction

All our products benefit from an antibacterial treatment.

This treatment, used during our manufacturing process, is designed to limit the proliferation of bacteria throughout the product's lifespan thanks to a treatment based on an active biocidal substance: silver phosphoborate glass.

Effective, reliable, and laboratory-tested, it acts sustainably and contains no nanoparticles. It is included as a standard feature, with no additional cost for our customers.

Discover all our personalisation options

(1) Chipboard only available in size 305 x 132 cm. - (2) Some "repeatable" decors are more suited for fitting based on the pattern continuity. Decors "without repeat" fit side by side without a pattern continuity. - (3) To realise a precise and optimized connexion between two panels, we anticipate a bleed area on the panel. - (4) BRI one-sided decorative.

plain colours

To facilitate co-ordination of our plain colour decors with other decorative materials, you will find the NCS® - RAL® - BS® - Pantone® - LRV matches for each colour in this table. The codes are given on an indicative basis. For the RAL® - BS® colour chart, Polyrey decors may vary : L = light / D = dark

Find your perfect decor! On polyrey.com, explore our advanced search tool. Enter your RAL or NCS reference and instantly access the décors closest to your inspiration.

(1)Test method SBI EN 13823 - Ranking acc. EN 13501 - Test done on wood substrates B,s1-d0 ≥ 12 mm (except 3mm HPL done on non-combustible A2 board)
(2) France: Test method acc. NF P 92-501 - *Ranking acc. NF P 92-507* - UK : Test method acc.BS 476-6 - *Ranking acc.BS 476-7*
(3) Conventional classification (CWFT) according to the reaction-to-fire performance classes set by the European Commission for wood products
(4) Fire-resistant by nature.

TRANSPORT
FIRE CERTIFICATION

MARINE TRANSPORTATION

Products		Grade	Thickness	Released Applications	Certificates available
High Pressure Laminate	**Polyrey HPL®** (except TOUCH)	Postforming	**0,8 to 1,2 mm**	Wall Paneling on non combustible structure(1)	Module B + D (Quality System)
		Standard			
	Monochrom HPL Black core	Standard	**0,9 mm**		
	Pur Metal®	Fire retardant	**1 mm**		

IMO MED certified products. Tested in combination with non-combustible substrates. Test Method IMO Resolution MSC.307(88)-(FTP Code 2010) appendix 1, part 2, part 5
(1) According product placement (ie.cabinet) and final application (ie. furniture) IMO MED certification may not be required. Please refer to regulations in place.

RAILWAY TRANSPORTATION

Products		Grade	Thickness	Released Applications	Certificates available
High Pressure Laminate	**Polyrey HPL®** (except TOUCH)	Fire retardant	**0,8 to 2 mm**	HL2 - R1/R7/R17	Test report
Compact HPL	**Reysipur®** (except TOUCH)	Fire retardant	**2 to 20 mm**	HL2 - R1/R7/R17	Test report

Products meeting the standard's requirements EN 45545-2016 for vehicles classified HL2. For specific demand, please contact us.

BUS AND COACHES

Products		Grade	Thickness	Released Applications	Certificates available
High Pressure Laminate	**Polyrey HPL®** (except TOUCH)	Standard - Postforming	**0,6 to 1,2 mm**	Category M3, Classes II and III 1	Test report
Compact HPL	**Reysipur®** (except TOUCH)	*Standard*	**2 to 6 mm**	Category M3, Classes II and III 1	Test report

Products meeting the standard's requirements ECE R 118 annexes 6-7-8 for buses and coaches (vehicles with more than 8 seats).
